letioswe fe98829e30 - yamaill says: Jan 25, 2022 at 2:55 pm. I don't remember having one of those. I urgently need to know what happened at this point. \hat{A}_t ? I have no way in the game to find out what happened before that. Can you suggest any other ways to find out? There is a timer in the game. It shows how much time has passed since a certain moment. If you can't see the timer, it's obviously impossible to know anything. Perhaps I don't understand the question, but perhaps you are trying to find out what happened in the game before the match? Then, it's impossible.
