Motherboard Serial number
Motherboard Serial number? is
there such a thing? the

motherboard id number is one number and the motherboard serial number is another, then we can just ignore it? no disrespect, its just that if there is a warranty on the motherboard, then is the motherboard serial number not the one that would need to be registered? and as far as i know there isn't but hopefully someone here can clear that up for me.

Motherboard serial numbers

Motherboard serial numbers.

Motherboard serial numbers are usually found on the body
