December 23, 2019 . â€” Babbel uses the same style as other language learning courses and apps (a bit like Duolingo), but its prices are right and the content is . Babbel courses have high functionality and quality, as well as a high level of comfort. You can choose one of two connection methods: via the Internet or offline, without the Internet. You will need a Wi-Fi connection to connect to the internet because the internet is part of the Babbel courses. You can connect to Wi-Fi anywhere you have internet access. If you are not connected, you can download the Babbel app to your smartphone and connect to the Internet via the Internet.
