I know that an overflow is caused by this but the rest of it I'm not sure about. double first = double.Parse(textBox1.Text); double second = double.Parse(textBox2.Text); double result = first + second; if (result > 9999999 && result < 9999999 && first + second Effects of single and repeated doses of clomipramine and venlafaxine on the response of peripheral blood mononuclear cells in depressed patients. Depressed patients frequently have aberrant inflammatory responses. Previously, we reported that SSRIs reduced these abnormalities. Recently, we showed that venlafaxine reduced inflammatory responses. We now report that clomipramine also reduces these responses. During a 6-week trial of both venlafaxine (Effexor) and clomipramine (Anafranil), 12 patients with depression were monitored

The Day of the Jackdaw The Day of the Jackdaw () is a 1941 Soviet drama film directed by Veniamin Pelt, L. N. Smirnov and N. I. Ekimov. Plot The film tells about the days of the Civil War in Murmansk, when the inhabitants of the city and the neighboring villages were cut off from the rest of the country. Starring Gennadi Yudin as Varlamov, a conductor of a fire truck, commander of the military unit of the village Rina Zelyonaya as Yekaterina, Varlamov's assistant Tatyana Okuneva as Yekaterina's mother Boris Romanov as Vasya Boris Ginzburg as Commander References External links Category:1941 films Category:Soviet films Category:Soviet drama films Category:1940s drama films Category:Russian-language filmsQ:

Syntax error when importing node module i have an issue in creating a module. Here is the code: var net = require('net'); var http = require('http'); var https = require('https'); var url = require('url'); var fs = require('fs'); var stream = require('stream'); When i try to use net module within nodejs in this way : var net = require('net'); it is returning syntax error but when i use this : var net = require('net/https'); There is no syntax error! What is that? A: require('net/https') is an invalid module name. It should either be require('https') or require('net/https') (no syntax here), or, if you're very sure
