Ullu Bolu A young man who suffers from memory loss due to an accident wakes up in a strange hospital in the heart of an urban city where he has no memory of his past, as well as the doctors who treated him, the people he met or the accident that caused him to lose his memory. Immediately, he befriends an old man that appears to be a guardian angel, in which he searches for his younger sister. He discovers that there are many people involved in the care of his health, one of them being Dr. Alice. Ullu Bolu (2007) Fmovies Full HD 720p Both Subbed And English Dubbed.
