Very poor, I had the problem of retrieving my password, I contacted the support team and thanks to them I was able to retrieve my password and download the file. MAK2008-11-10 16:37:15 4/5 This is the worst file host ever!!! I've contacted support twice (in different chats) and they've never helped!!! This is just a joke!!!!!!!!!!!! MAK2008-11-10 16:24:40 5/5 This is a great file host! I only downloaded an 800kb of a 1.5gb file and waited 2 days and got it, I'm really happy. anonayoup 11-01-2019, 14:41 PM 2/5 I've tried to download 3 different files from you, but I was always told that there wasn't any record of them being downloaded. Do you have any ideas how I can get the files from you that I've been trying to download and have been having this problem for the last week?
