The "Deep House Volume 2" expansion pack is now available and it contains fresh sounds for any producer who wants that typical Deep House feeling! As Andy Hinz and Manuel Schleis are back with its 2nd volume! So what is so special about it? Impressively sampled drums, arps, basses, pads, leads, vocals, pianos, synth sounds, granular loops and more, perfect for Deep House, Minimal and any other House genre. 13 drumkits, in total more than 120 samples, from that typical 80s drum and over 80 gritty samples, show you all that this expansion pack has to offer! Very typical sounds for this genre! The huge House pack "Deep House Volume 2" is finally available! Best VPS Avenger packs have always included at least one amazing deep, sample-heavy deep House pack, like such as "House Vol.1", "Deep House Volume 1", "Deep House Vol. Wake up! Your ears are ringing! More extreme than ever before, this expansion pack is for those who want a little bit of real madness in their productions! Antwerp house producer Tony Valby's unique presets and extreme FX were used to make this one-of-a-kind pack and, despite all the madness, you will feel the quality of both the mastering and the construction. Tony Valby has crafted a great pack full of minimal, dirty, noisy and dark techno presets. There are 25 presets for Kontakt by Tony Valby, all processed by extreme compressors, delays and ring modulators, combined with a massive amount of impact FX layers to create an intense, raw and mad sound signature. No joke. Tons of drums, textures, nasty melody lines, pads, squelches and loads of dirty and evil sound effects will be part of your production. Come and join this trip into sound!
