Angel Girl X 2 Swf

the game is a very short sidescrolling platform game which sees you controlling an angel girl that has to battle monsters and try to reach the end of the level before they rape her. the game was originally created in the mid 1990's by koon soft and was supposed to be a nintendo famicom game. the game was cancelled but after hearing the great news that angel studio are still making games koon soft decided to release it on the playstation network on the japanese playstation store. the sequel to the original game, angel girl x 2, is released on the psn. it has the same gameplay but features more content. the story is told from the point of view of the monster. the player controls the monster through the game and uses his eyes to control the girl. the monster can turn his head towards the player to look at the girl and follow her. the player needs to use this to their advantage to defeat the monsters and complete the game. you can play as the monster through the game and kill the girl or you can control the girl and kill the monsters. note: cloudyz girl pics is porn pics/images search engine, nude sex photos and xxx photos finder, no images files are hosted on our server, we only help to make it easier for visitors to find a porn pics, nude sex photos and xxx photos in some search engines. cloudyz girl pics is not responsible for third party website content. if one of this file is your intelectual property (copyright infringement) or child pornography / immature sounds, please contact us. angel devil name japanese romaji enjerutenshi no akuma biological information occupation public safety devil hunters tokyo special division 4 first appearance manga debut chapter 34 5ec8ef588b
